I LIGHT GLOBAL COMES TO CHICAGO!

We are excited to announce the launch of our newest chapter, the Chicago chapter of I-Light Global! In celebration of this new beginning, our volunteers participated in the local community's Chinese New Year lantern procession at 31st Street Beach. We hope the lanterns symbolize the bright future of the Chicago branch!

We are also excited to welcome new volunteers June, Laura, and Audrey. The trio are currently students at the Art Institute of Chicago.

June, the head volunteer in Chicago branch created beautiful new mascots (shown above) for I Light Global.

Rashi Gupta, our volunteer from Michigan, travelled to Chicago to encourage and bring together a team of volunteers for discussions around mental well-being and projects such as meditation and yoga in the park.

WELCOME TO OUR NEW VOLUNTEERS!

Mrs Alka Sibbal at DLF I Gurugram Project

Volunteer Spotlight!

Mrs Alka Sibbal joined I Light Global's DLF PHASE I Project. under her leadership, a parent teacher meeting was conducted with migrant children and their families. She personally supervised the teaching workshops being conducted by our volunteers Sangeeta and Sourabh. It has brought lots of enthusiasm and vigor to our students as they learn primary education from 4-6 every evening in DLF I community part.

Rekha Dogra introduced new volunteer Anchal in the rose project run by Sudesh Kumari in Palampur HP. Anchal is a student of BCom and is helping children with primary English and mathematical skills.

Another volunteer, Prithish Kumar started science projects in which he visits branches twice a week and runs workshops on battery, clean water, electricity and other topics in the five branches of Himachal Pradesh. Prithish is a Class XI student who aspires to become an engineer in the future.
