## JOYOUS DIWALI CELEBRATIONS WITH OUR STUDENTS & VOLUNTEERS!

Diwali was celebrated with great fanfare in all the branches of I Light Global in India. Children participated in dance workshops, diya making activities and other creative pursuits on this festive occasion.

Mrs. Manju Kharbhanda (educational head) and her group of volunteer teachers visited the Simran Project (Sohna Road, Gurugram) to share gifts and Diwali sweets with migrant children.

Volunteers at our Ranchi project in Jharkhand painted diyas under the guidance of Ms. Aditi Bhasin.
